Stormwater Runoff Pollution: Did you know? The storm drains on the street corners empty directly into the bay. Take 10 minutes and do a good deed for your community today! Sweep around your storm drain and place all debris into your regular garbage bag and put it out with your next sanitation pickup. The best time to do this is right before and right after a rainstorm. Help protect the future of your environment! Never drop anything in a storm drain! Bring household hazardous waste to the S.T.O.P. programs at the parking lot behind City Hall on Sunday, April 27 from 8am to 3pm.

Recycle old electronics anytime in the blue electronics recycling bin conveniently located in the Recreation Center Parking Lot on West Bay Drive just east of Magnolia Boulevard.

Recreation news: Run in the Snowflake Race on Saturday, February 8. Day of race registration starts at 7:30am at Long Beach Catholic School at 735 West Broadway. Register early (and save \$5) at longbeachny.gov/rec or at The Rec!

Early Bird registration opens for Spring Recreation programs: Lacrosse, Soccer, Running Club, Women's Kickball, Men's Softball, Women's Softball, Tae Kwon Do, CrossFit, Earth Arts, Mermaid Art Studio, Adult Volleyball, Kwick Fit, Adult Yoga, Toddler Yoga, Swim Club, and more, visit longbeachny.gov/rec

Emergency Preparedness & Evacuation

If the City of Long Beach is threatened by a hurricane or major storm:

BE PREPARED

The Atlantic Coast hurricane season is from June 1 to November 30, however, we are most vulnerable from Mid August to early November. Here are some steps you should take, even before a hurricane watch or warning is announced:

- Check to be certain that your emergency equipment is in good working order and that you have enough supplies to last several days.
- Obtain and store materials necessary to properly secure your home. Make sure your car has enough gas and is in good working order. Also plan to have the following items available: manually operated can opener, matches, canned and packaged foods, milk and beverages, extra medicine, baby food, diapers, first aid kit, battery operated radio, flashlight, extra batteries, portable ice chest, one gallon of water per day for each member of your household.

NOTIFICATION

- Before a storm occurs, register for Swift 911™, the City's emergency call system at 431-1000 ext. 7105. You only need to register once to be in the system.
- Fire Horns will blow four evenly spaced blasts over a period of a half hour and will repeat.
- Fire and Police will travel through the City to notify residents via loudspeakers.
- If you are deaf or disabled be sure to register with the Police or Fire Department.
- Visit www.longbeachny.gov or call the Storm Hotline at (516)431-1000, press option 1
