THE LONG BEACH CITY COUNCIL

and the Long Island Long Term Recovery Group Host Sandy Relief Informational Sessions Magnolia Senior Community Center

These events are designed to put residents in direct contact with a variety of resources; including additional financial support for qualifying individuals and families.

COURTESY OF LONG ISLAND VOAD

Pizza and Soda will be provided

as well as

Gift Cards available to the First 50 Long Beach residents attending!!

MEETING AGENDA

6:30-7:30 p.m.

- **Rebuilding Right**: Giving homeowners strategic choices and green, energy efficient options for their home rebuild project. Emphasis will be on healthy, safe and economical indoor home environments while providing survivability and durability for the home.
- **Coping With Mold**: Information on hazards and best practices for control and prevention
- **Disaster Case Management and Financial Assistance**: Meet with a Disaster Case Manager who will help assess your needs, access additional financial supports and assist in your long term recovery plan

7:30-8:30 p.m. Networking & Questions and Answers Session

Join us at the Magnolia Senior Community Center, **650 Magnolia Boulevard.**

ALL Long Beach residents are invited whether or not they live in the areas described below. The dates are:

- **Tuesday, May 28th**
(focusing on residents living between Nevada Blvd. and the west side of Grand Blvd.)
- **Monday, June 3rd**
(residents living between Maple Blvd. and the east side of Long Beach Blvd.)

For more information on the event, please contact (516) 431-1001
