NOTIFICATION CONCERNING WORKERS' COMPENSATION PHARMACY BENEFITS

Please read this notice carefully. It provides you with important information on getting medication under a workers' compensation claim that has **occurred prior to July 1, 2007.**

As of February 1, 2016, The City of Long Beach, through the designated claims administrator, Vision Risk Services, LLC. has entered into an agreement with CorVel Pharmacy Benefit Network, a Pharmacy Benefits Manager (PBM), which has a network of pharmacies to make available the medications workers may receive for their work-related injury or sickness which **occurred prior to July 1, 2007.** This does not change your right to get the medication necessary to treat such an illness or injury. It only means that you must obtain that medication from CorVel Pharmacy Benefit Network pharmacies. The pharmacies and their addresses can be obtained by:

- calling the CorVel Pharmacy Solutions Team at 1-800-563-8438, or
- using the website <http://www.corvel.com/ppo-lookup>

After your first prescription is filled, a permanent Pharmacy Benefit Card will be mailed to you. Use the permanent Pharmacy Benefit Card at a participating pharmacy to obtain subsequent prescription refills for your work related injury. If you obtain your prescriptions by phone, mail or internet, have the Pharmacy Benefit card available when requesting the prescription.

If you are obtaining your medication through a workers' compensation claim, you need to obtain that medication from one of these pharmacies unless:

- You have a medical emergency and it is not reasonably possible to purchase the medications you need for that emergency from a network pharmacy, or
- Ordering by mail or telephone is not an option in the network, no pharmacy in the network will deliver to you, and none of these pharmacies is within fifteen miles in you live in a rural area, or five miles if do not live in a rural location. If you believe this is the case for you, please call one of the numbers on the bottom of this page.

Please note that certain pharmacies/pharmacy benefit manager may require you to use the Internet, mail-order or telephone pharmacies. An order can be placed with them by contacting the CorVel Pharmacy Solutions Team at 1-800-563-8438 or to search online go to <http://www.corvel.com/ppo-lookup/>.
