

The Long Beach City Council invites you to learn about...

POWER UP COMMUNITIES

A Project of the Long Island Progressive Coalition

Monday, March 10 at City Hall from 6-8pm

Through this innovative New York State Green Jobs program you can:

Lower utility bills by saving energy

Increase home comfort and eliminate drafty rooms

Improve indoor air quality and avoid health & safety issues

Reduce carbon emissions

Pay for improvements with NO out of pocket costs

NYS Rebates range from 10-50% off the cost of the project

On Average, PowerUp Communities Homeowners save \$800-\$3,000 on energy costs through energy efficiency improvements including:

Adding Insulation & Sealing Air Leaks

Fine-tuning and replacing heating and cooling systems

Fixing ductwork

At this meeting you will learn about the program and what you need to do to start saving money and energy today
