Every day, your child will get to participate in a variety of scheduled events including: arts & crafts, games, recreation & sports, and STEAM & WRAP projects. Parents must complete an application form for **each** child enrolled in the City of Long Beach Before/After School Care Program and will be required to pre-pay their 1st month's tuition and registration fee.

If you are going to register your child for September, the registration fee and the first month's tuition (with separate registration form) is due in our office no later than September 1, 2020. Parents will not be able to register their child if there is an outstanding balance from the previous school year. The program is subject to adequate enrollment and space is limited.

All children must be picked up no later than 6:00 p.m. each afternoon that they attend the After School Program. Children who are not picked up by 6:00 p.m. by you or an authorized person will be properly supervised until they are picked up. However, a late fee will be charged and added to your next month's regular tuition bill. The late fee, **(\$10.00 for every 15 minutes late/or part thereof)** must be paid along with your regular tuition fee.

Children attending the afternoon program receive water and a snack.

Upon arrival to the program, a "health check" will be completed by the staff to assess each child's general health and well-being. The staff provides ongoing monitoring of children's comfort and safety.

Financial assistance may be available through the N.Y.S. Child Care Subsidy Program. To see if your family qualifies or for additional information, please call the Department of Social Services directly at 516-227-7976.
