

**Office of Cannabis
Management**

Cannabis Conversations

An Overview from the Office of Cannabis Management (OCM)

January 30, 2023

What is Cannabis?

- Cannabis Sativa is a versatile plant used for medicinal, industrial, and food purposes for thousands of years.
- It contains hundreds of compounds, including cannabinoids, terpenes and flavonoids that, when they interact, have different effects on the mind and body. Most common and well known are THC, known for its euphoric feeling, and CBD, which offers the same potential benefits without the same “high.”
- Hemp is the same plant as adult-use cannabis, it’s just one that contains 0.3% or less THC content and as a result is not a federally controlled substance.

| Industrial | Food | Wellness | Recreational | Medical | Pharma |
|--|---|---|--|--|---|
| Fiber: textiles, construction materials, “hempcrete” | Nutrition: hemp seeds and oil, hemp protein powder | Dietary Supplements: CBD, terpenes, cosmetics | Products used similar to alcohol or tobacco | Medical grade products, practitioner oversight | FDA approved clinical trials: Epidiolex |

What is Legal in NYS – Possessing Cannabis

- Adults **over 21** can buy and possess:
 - Up to three ounces of cannabis flower
 - Up to 24 grams of concentrated cannabis (oils, tincture, edibles, vapes, etc.)
- Cannabis can be consumed in a private home or state-licensed on-site consumption site
 - Currently there are no licensed on-site consumption sites
- Vaping and smoking cannabis is not allowed anywhere vaping and smoking tobacco isn't allowed

Home Growing in NYS?

- **Currently, recreational home cultivation is not legal in NYS**
- 18-months after the first dispensary opens, New Yorkers who are 21 and older can grow in their own home:
 - Up to six plants for personal use (3 mature plants and 3 immature plants)
 - A maximum of 12 plants per household (even if there are three or more adults over the age of 21)
- **Medical cannabis patients can grow as of October 5th:**
 - Only certified patients and designated caregivers 21 years of age or older, registered with the medical cannabis program, can cultivate (grow) medical cannabis.

What is the Marihuana Regulation & Taxation Act (MRTA)?

- The MRTA was signed into law on March 31st, 2021
- The MRTA created the Office of Cannabis Management (OCM), overseen by a 5-member Cannabis Control Board (CCB)
- There is a 20-member Cannabis Advisory Board
- Legalized **adult-use cannabis** (recreational marijuana) while also expanding the State's existing medical cannabis and cannabinoid hemp (CBD) programs
- Legalization represents a shift to a **public health framework** for cannabis policy

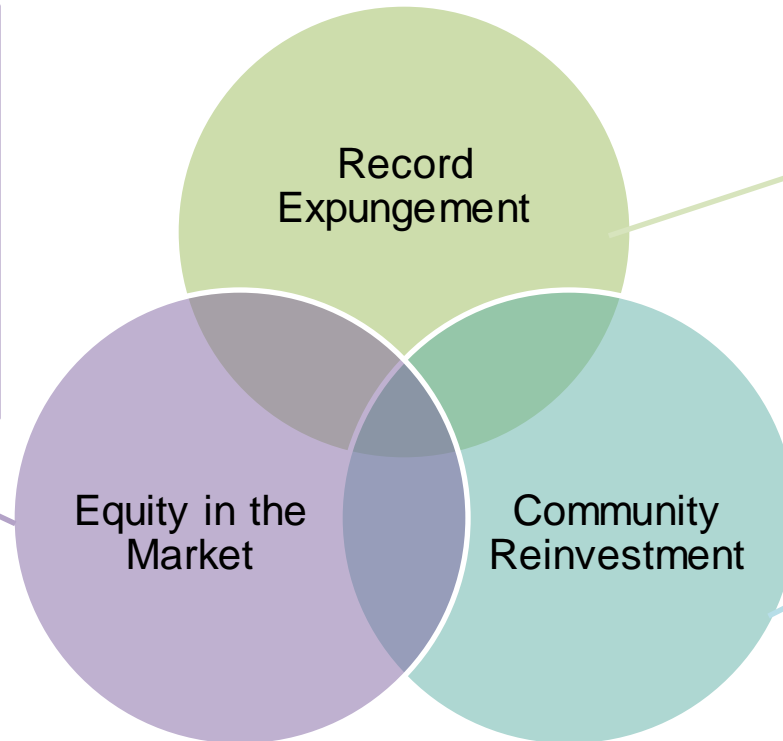

Office of Cannabis Management (OCM)

The MRTA Emphasizes Social and Economic Justice

Sets a goal to award **50% of all adult-use licenses** to social and economic equity applicants. Development of a **Social and Economic Equity Plan** and programs to help licensees be successful

Automatically clears an individual's past marijuana convictions. Nearly 400,000 records will be expunged

Invests **40% of the adult-use cannabis tax revenue** toward rebuilding communities impacted by disproportionate policing during cannabis prohibition

Adult-Use Cannabis Taxation

- A **THC per mg tax** will be used instead of a weight-based tax. The THC per mg tax will be based on the final product type:
 - **\$.03 per mg** THC edible, **\$.05 per mg** THC cannabis flower and **\$.08 per mg** THC concentrate.
 - THC tax can help push consumers to lower potency products by making high potency products more expensive, helping achieve public health goals.
- **9% state excise tax** on the sale of cannabis products by a retailer to a cannabis consumer.
- **4% local excise tax** rate at retail price. (25% to county, 75% to city/town/village)
Villages within towns may establish their own revenue distribution agreements.

New York State Cannabis Revenue Fund

- All cannabis revenue deposited into this fund
- **Community Grants Reinvestment**
 - Grants to non-profit and community-based organizations in communities disproportionately impacted by cannabis prohibition and other social equity initiatives as determined by the Cannabis Advisory Board
- **Drug Treatment & Public Education**
 - Develop and implement statewide public education campaigns and provide substance use disorder treatment programs for youth and adults

Opportunities in the NYS Cannabis Industry

Adult-Use Licenses

Retail-Dispensary

Sells cannabis products directly to consumers

On-Site Consumption

Sells directly to consumers for use on-site at the location (like a bar)

Cultivator

Growing, cloning, harvesting, drying, curing, grading, trimming

Nursery

Only clones, immature plants, seeds, and other agricultural products

Processor

Extracts concentrated cannabis and/or compounds or manufactures

Distributor

Wholesale sale to dispensary, on-site consumption, or delivery service

Delivery

Bringing cannabis products directly to consumers

Adult-Use Cooperative

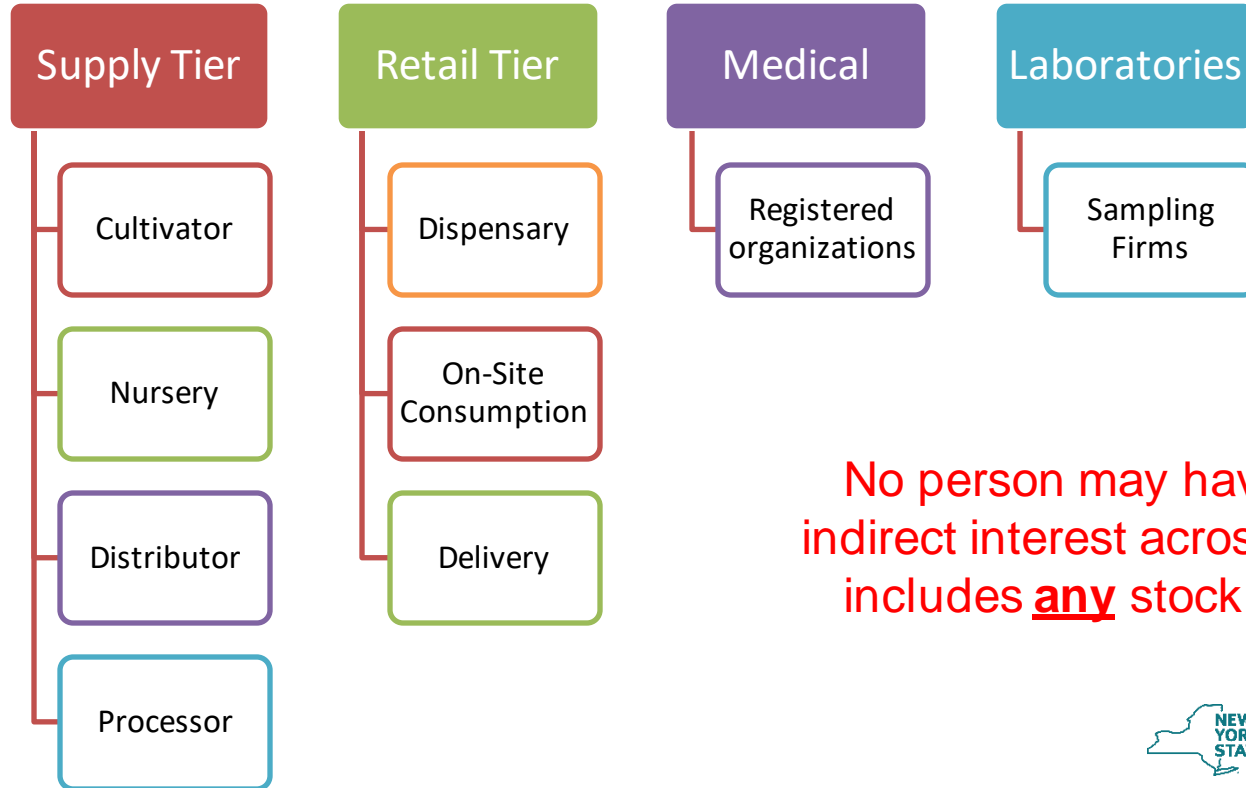

Democratically controlled. Can cultivate, process, distribute. Cannot sell directly to consumer

Microbusiness

May be cultivator, processor, distributor or retailer. No person can own more than one license

What does a tiered system look like?

Building the New York Cannabis Industry

Ancillary Businesses

- Packaging and Labeling Companies
- Secure transport businesses
- Security companies
- Vape and other cannabis devices
- E-commerce websites
- Licensing and branding companies
- Marketing and design agencies
- Media networks
- Retail design firms
- Hydroponics
- Vertical agriculture
- Greenhouse systems
- Horticultural lighting companies
- Nutrient suppliers
- Extraction equipment
- Commercial kitchens
- Payroll companies
- Compliance
- Point-of-Sale Systems
- Software and mobile application developers
- Accounting
- Real Estate

Conditional Adult-Use Licenses

Adult-Use Licenses

Conditional Licenses

- Stand-alone conditional licensing system.
- Creating a micro cannabis ecosystem in NYS.
- Adult-Use Conditional Cultivator License
- Adult-Use Conditional Processor License
- Conditional Adult-Use Retail Dispensary License (CAURD)

MRTA Licenses

- All nine license types.
- These licenses were included in the November 21st regulations.

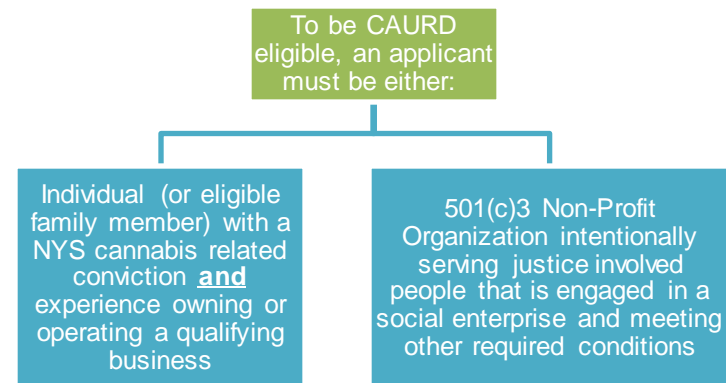

Conditional Licenses

Adult-use Conditional Cultivator – 279 with additional applications under review

Adult-use Conditional Processors – 40 with additional applications under review

Conditional Adult-use Retail Dispensaries (CAURD)- 66 with additional applications under review

- Realizes key goal of the New York Cannabis Law by prioritizing **individuals with a cannabis conviction** to obtain the **first adult-use retail licenses** in New York State.
- Individuals must also have experience owning and operating a qualified businesses to help ensure applicants have experience and will be successful.
- First of its kind in the nation, recognizes the struggles social equity applicants have had entering the cannabis industry in other states.

Role of the Municipalities

What is the role of a municipality in the process to approve or deny a cannabis license?

- Municipalities are allowed the opportunity to express an opinion on whether they support the Cannabis Control Board's approval of a retail dispensary, on-site consumption, or registered organization with cultivation, processor, distributor, retail, and on-site consumption licenses in their area.
- The role of cannabis control boards are limited to retail dispensaries, on-site consumptions and registered organization with cultivation, processor, distributor, retail, and on-site consumption licenses in their area.

Where do municipalities fit in the process to approve retail dispensary and/or on-site consumption licenses?

- People or businesses who apply for a cannabis retail dispensary, including registered organizations with a dispensing license or on-site consumption should submit a notification that their proposed location (premises) is within the boundary of the municipality prior to filing their application.
- Applicants must be mindful that the municipality's opinion will become part of the record upon which the Cannabis Control Board shall grant or deny an application for a cannabis license.
- Applicants should afford the appropriate amount of time needed for the municipality to opine on the proposed cannabis location.

Are there laws or regulations that limit where cannabis dispensaries can be located?

- On November 21, 2022, the Board voted to file the proposed regulations for Adult-Use cannabis.
- These proposed regulations describe how to measure the required distance between cannabis retail dispensaries/on-site consumption and school grounds (500 feet) and house of worship (200 feet).
- The proposed regulations would require a 2,000-foot radius around each dispensary or on-site consumption licensed premises in New York City.
- These regulations are not yet adopted and OCM encourages comments on the proposed regulations, which should be set to regulations@ocm.ny.gov no later than February 13, 2023.

OCM Enforcement Activities

Enforcement

Illicit Market

- October 21, 2021, the Cannabis Control Board addressed this topic. Chair Wright and Executive Director Chris Alexander both issue statements on “Gifting”.
- January 2022, OCM began sending cease and desist letter to suspected illicit retailers and continue to issue cease and desist letters as new illicit shops are identified.
- July 2022, the OCM sent out a press release detailing it efforts to fight “gifting” which listed businesses in violation.
- OCM Enforcement staff work daily to deal with illicit, unlicensed locations, conducting investigations of all referrals alleging such conduct, and coordinating possible actions with local law enforcement.

Enforcement Actions

- OCM's Enforcement Division has been conducting investigations (locations, owners, products sold etc.) on all illicit cannabis operations since January of 2022.
- The Enforcement Division routinely confers with local DA's and law enforcement across the state about strategies in cannabis enforcement.
- The Enforcement Division continues to staff up and engage in enforcement actions across the state:
 - visiting illicit stores,
 - issuing cease and desist letters on the spot to stores conducting themselves contrary to existing law,
 - assisting local law enforcement in their investigations involving illicit stores.
- Using existing laws
 - Any building, zoning or health laws that are pertinent; i.e. nuisance abatement

Illicit Sales

Mobile / Food Trucks

- No “food truck” or other commercial vehicle sales of adult-use cannabis are legal in NYS.
- OCM’s Enforcement team has been working with local municipalities to sanction these mobile food trucks and have considered the following to shut down operations:
 - law enforcement violations which will allow them to be removed from the streets
 - parking tickets
 - DOH food service violations
 - expired out-of-state vehicle registrations
 - improper registrations
- As an example: OCM assisted NYC Sheriff in impounding 16 illicit truck dispensaries in New York City.

Enforcement

Community Boards and local municipalities may relay to the state and/or local enforcement information about activities that may be in violation of the Cannabis Law.

Suspected violations or complaints can be sent to complaints@ocm.ny.gov.

Whenever possible please include the following information when submitting a complaint:

- Name of business
- Time of alleged illicit activity
- Location of alleged illicit activity
- Pictures of alleged illicit activity
- Indicate if there has been previous police contact (i.e., 911 calls)
- Proximity to sensitive use locations (e.g., school, house of worship)
- Contact information of the person reporting the alleged illicit activity (i.e., phone number in case there are follow up questions).

Retail Guidance

Retail Guidance

Guidance for Adult-Use Retail Dispensaries

Introduction

The Cannabis Control Board (the Board) has the authority, pursuant to Section 85 of the Cannabis Law, to promulgate regulations governing licensed adult-use dispensaries. Once adopted and effective, the regulations will serve as the rules that all licensees must follow to remain compliant with the Cannabis Law. A copy of the final regulations will be available on the Office of Cannabis Management's (the Office) website.

In the interim, this guidance document serves to provide the framework that will assist Conditional Adult-Use Retail Dispensary licensees plan for how to operate their dispensary before regulations are formally adopted, pursuant to Title 9 Part 116 Section 7 of the New York Codes, Rules and Regulations (9 NYCRR §116.7). Compliance with any current and future state rules, regulations, and laws is required by all licensees to remain in good standing with the Office. This guidance document provides clarity on what the Office's expectations are in relation to those regulations and laws currently in place and the regulations that will be promulgated in the future. Such future regulations are subject to change, consistent with the process pursuant to the State Administrative Procedures Act.

Adult-use cannabis licensees who are not in compliance risk their license being cancelled, suspended, or revoked or other enforcement actions being taken, as authorized by Cannabis Law and Title 9 of the New York Codes, Rules and Regulations (9 NYCRR).

Key Recordkeeping Requirements

- Conditional Adult-Use Retail Dispensary (CAURD) applicants may be asked to submit the records and plans described in this guidance on the CAURD application and at the request of the Office. Failure to submit, or refusal to submit, required materials may subject CAURD applicants to denial or non-selection of the applicant for a CAURD license.
- CAURD licensees have an ongoing obligation to maintain up-to-date versions of all records and plans described in this document or submitted with their application. Licensees must submit such records to the Office upon request and have an ongoing obligation to disclose to the Office material changes in such records and plans. Licensees' noncompliance with requests for such information from the Office may be grounds for a penalty or the surrender, suspension, revocation, or non-renewal of the CAURD license.

- Issued October 28, 2022
- Outlines requirements and expectations for CAURD dispensaries including:
 - Inventory Tracking
 - Staffing & Training
 - Location, Security, Facility Requirements
 - Purchasing, Security
 - Branding, Marketing, Signage
- All CAURD licensees will have to review and sign an attestation agreeing to comply with requirements

MRTA Regulations

- On November 21, 2022, the Cannabis Control Board also approved adult-use program regulations that establish rules for a safer, equitable, consumer-driven market focused on small businesses.
- **The package outlines:**
 1. The application and license selection and renewal process,
 2. The role municipalities play in regulating cannabis businesses,
 3. Key social and economic equity program provisions including identification and prioritization,
 4. Environmental and sustainability standards,
 5. Ownership and true party of interest prohibitions,
 6. General business operating requirements including security, record keeping, and transportation.
- The proposed regulations have been filed for a 60-day public comment period.
 - Regulations were filed on **December 14, 2022**, and public comment will end on **February 13, 2023**.
- Comments can be filed by emailing regulations@ocm.ny.gov or sent via mail to:

New York State Office of Cannabis Management
PO Box 2071 Albany, NY 12220

Staffing & Training

- Staffing

- Employee in Charge
- Age Requirements

- Training

- Written Manual
- Curriculum Requirements
- Record Keeping

Advertising & Signage

- Retail Locations

- External Signage:

- Limited to 2 signs, No images, logos or symbols

- Delivery Locations

- No external signs

- Website **must include age gate** and comply with [Packaging Marketing Labeling, and Advertising Guidance](#).

WELCOME.

Hey, we gotta ask.

Are you over 21 years of age?

Yes

No

Sales & Transactions

- Menus & Prices
- Customer Transactions
 - Age Verification
 - Right to Refuse Sales
 - Single Day Limit
- Customer Education
