1. Bond Ordinance Authorizing Financing for the Cost of Fiscal Year 2018-2019 Separation Payments To or For the Benefit of Employees of the City Upon Separation from Employment, Stating the Estimated Total Cost Thereof is \$400,000, Appropriating Said Amount Therefor, and Authorizing the Issuance of Not to Exceed \$400,000 Bonds of Said City to Finance Said Appropriation.

Legislative Memo:

On July 3, 2018, the City noticed for publication a bond authorization, in the amount of \$2,500,000, for anticipated separation payment costs in the upcoming fiscal year (FY 2018-19). On the date of the public hearing, however, the City Council adopted a floor motion, which reduced this figure to \$1,803,600 (Ord. #3022/18).

With the fiscal year nearing completion, the City is now able to more accurately calculate *actual* separation payment costs incurred during the fiscal year.

Due to a number of unanticipated retirements, particularly in the Police Department, the City is now aware that its separation pay obligation in the current fiscal year (\$2,143,573.54) exceeds the authorized amount of \$1,803,600. This leaves a shortfall of \$339,973.54. Specifically, this borrowing is designed to cover payments to Kenneth Apple (\$91,332.94), Eric Cregeen (\$163,851.64), Angelo Peppe (\$145,400.87) and Mark Stark (\$124,873.25), totaling \$525,458.70 for the current fiscal year.

Therefore, the City wishes to borrow the total amount of \$400,000 in order to satisfy the separation pay obligations set forth above, in addition to providing an additional sum to account for the possibility of additional retirements between April 2019 and June 2019.

As it did with the original bond authorization in July 2018, and in the interest of transparency, an itemized list of employees who received separation pay in FY 2018-19 is appended to the resolution. This list includes the amounts paid to employees in addition to FICA and Medicare contributions, which must also be borrowed. F Fund (Water/Sewer) employees are also included in this list (for purposes of transparency), notwithstanding that the City satisfied its separation pay obligations to these employees without any borrowing.

All payment costs were internally audited and verified.

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or such obligations are authorized in violation of the provisions of the constitution.

This ordinance, which takes effect immediately upon the final passage thereof, shall be published in summary form in the official newspaper of said City, together with a notice of the City Clerk in substantially the form set forth in paragraph a of Section 81.00 of the Local Finance Law.
