# THE LONG BEACH CITY COUNCIL

brings to you the first Resource/Informational Event  
for the City of Long Beach Residents located at the  
**Magnolia Senior Community Center (650 Magnolia Boulevard)**

Over the next few weeks, the City of Long Beach and the Long Island Long Term Recovery Group will be hosting several informational events for Long Beach residents affected by Superstorm Sandy. The events are designed to put residents in direct contact with the agencies and groups providing assistance.

## MEETING AGENDA

### **6:30-7:30 p.m. Information & Resources**

- **Rebuilding Right**: Giving homeowners strategic choices and green, energy efficient options for their home rebuild project. Emphasis will be on healthy, safe and comfortable indoor home environments while providing survivability and durability for the home.
- **Coping With Mold**: Information on hazards and best practices for control and prevention
- **Disaster Case Management and Assistance**: connecting storm survivors with a case worker to help them navigate the recovery process and connect them with resources. Case management agencies will be on site to speak with residents.

### **7:30-8:30 p.m. Networking & Questions and Answers Session**

---

Meetings will be held at the Magnolia Senior Community Center (650 Magnolia Boulevard) from 6:30 p.m. - 8:30 p.m. on the following dates:

- **Monday, May 20<sup>th</sup>** (focusing on residents living between the east side of Grand Boulevard and the west side of Long Beach Road)
- **Tuesday, May 28<sup>th</sup>** (focusing on residents living between Nevada Boulevard and the west side of Grand Boulevard)
