

## Want to Learn More About Offshore Wind on Long Island?

*Learn from Experts about Offshore Wind.*

**Join us for a Free Educational Forum including Q&A with Experts on topics including the Environment, Whales, Labor, and EMFs.**

There are currently 5 offshore wind projects selected for New York which will power over 2 million homes in New York City and Long Island. Each project is moving through the regulatory process.

**We know that the public has questions, and we want to provide a forum to provide science and fact-based answers.**

There will be an opportunity for the public to ask questions after the presentations.

**When:** Wednesday, May 24, 2023 from 7:00-9:00 pm  
**Where:** Long Beach City Hall, 6<sup>th</sup> Floor, 1 W Chester St, Long Beach, NY  
**Who:** Adrienne Esposito, Executive Director, Citizens Campaign for the Environment – Offshore Wind coming to New York State  
Rob DiGiovanni, Atlantic Marine Conservation Society – Marine Mammal Protection  
Dr. Ben Cotts, PhD, Principal Engineer, Exponent – EMFs  
Ryan Stanton, Executive Director, Long Island Federation of Labor  
Matthew Aracich – President, Nassau and Suffolk County Building Trades Association - Labor Benefits and Job Opportunities

**\*NY State Energy Research and Development Authority will also be at the event to provide additional information.**
