A Message From City Council President Len Torres

Dear Friends,

Summer in Long Beach is a special time of year. There are so many fun and exciting events taking place every week, and this guide provides us with a detailed listing of the many happenings occurring in our shining City by the Sea.

Now, more than ever before, there will never be any shortage of things to do here; from beach volleyball to our free summer concert series, Long Beach has something for everyone. All of our flagship events are returning as well -- the Fireworks Extravaganza, the Arts and Crafts Festivals, and even the Long Beach International Film Festival, now in its fifth year! Along with all that, we have miniature golf, bocce, a recreational trapeze school, and, of course, our open-air trolley bringing folks around the City to explore our business districts.

New this summer, building on the success of years past, there will be an unprecedented variety of food options on the beach and boardwalk. Five new comfort stations will be home to a diverse array of cuisine, including healthy options, further enhancing the local flavor and extending the season. There will also be a state-of-the-art surf center at Riverside Boulevard. These new buildings will also allow concessions to operate on the boardwalk throughout more of the year, extending beyond the summer.

Also, worth noting, the NRDC and Fox News recently published an article stating that Long Beach has the 2nd cleanest beach in the entire United States, and our boardwalk has also been touted by Newsday as the number one destination on Long Island. We are extremely proud of these accomplishments. We also recognize that Long Beach is more than just the beach -- with countless amazing shops and restaurants, there are endless options to satisfy everyone.

Additionally, we are encouraging everyone to download the Long Beach Response Mobile App, available for both iOS and Android mobile devices. Long Beach Response truly fulfills this City Council's vision of being the most transparent and responsive administration in Long Beach's rich history. Whether you are looking for a calendar of events or simply want to submit a question to City government, Long Beach Response has got you covered.

We hope you have a wonderful summer!

Len Torres

Long Beach native Billy Crystal and Basketball Hall of Famer Nancy Lieberman teamed up to build brand new basketball courts. In June 2013, Nancy met up with actor and entertainer Billy Crystal in Long Beach, NY where they announced the plans to build a sixth Dream Court in the community. This decision was part of Crystal's million dollar donation to the area to help it recover from the damage caused by Superstorm Sandy. With the Dream Courts program, Nancy Lieberman has fulfilled her dream of collaborating with WorldVentures Foundation to build high-quality basketball courts with the mission to provide a healthy, physical, emotional and mental environment for young girls and boys to build their self-esteem and confidence, so they will be able to make the right choices in the future. The Long Beach Parks and Recreation Department is extremely grateful for their generosity.

MAGNOLIA SENIOR CENTER PROGRAMS

The City of Long Beach supports one of the most dynamic and active senior centers on Long Island. Located on the 2nd floor of the Magnolia Senior/Community Center, participants are provided with a modern and cheerful setting where they can engage in stimulating wellness, cultural, educational and recreational programs.

Our Exercise Instructors are certified professionals who offer programs of varying degrees of difficulty. You can choose from Aerobics, Yoga, Line Dancing, Stretch and Tone, and Latin Movement. We offer three levels of intensity to accommodate seniors of all ages and physical condition. It is recommended that before starting an exercise program that participants get clearance from their physician.

The Magnolia Senior Center is also a place to keep your hands and mind active with sculpture, painting, theatre groups, film appreciation and many other programs. Game day is held 4 days a week and on these days seniors can meet for a few hours and exercise their brains with games such as MahJong and Bridge.

Every month there are a variety of different Art and Craft classes that range from beginner levels to more advanced. You can choose from acrylic, watercolor painting, jewelry making, knitting, and the list goes on. Check out our

monthly calendar on the City of Long Beach website, or pick one up at the Magnolia Center to see what is going on this month. You must provide a photo ID reflecting a City of Long Beach address and complete a registration card available in the main office on the 2nd floor. To access a current calendar of events and activities log on to www.longbeachny.gov. There is accessible access by entering through the rear of the Center parking lot.

VIRTUAL SENIOR CENTER

The Community Center is proud to have been chosen as one of the sites in Nassau County to receive support for the development of a program called the "Virtual Senior Center". With the support of Self-help and the Kimmel Foundation, we have been able to bring the Virtual Senior Center programs into the homes of some of our local homebound senior residents. With this service participants are able to attend classes and interact with their peers in different sectors of the country "virtually" through computer equipment provided by the program. Through our partnership with the SJK Foundation, we are currently offering "Music and

Memories", an interactive program of stories, histories and sing-alongs. If you know of a homebound senior who could benefit from this service, or, if you would like to volunteer to teach a course, please give us a call at (516) 431-3510 for information.

DESIGNATED SURFING AREAS, HOURS, AND YELLOW FLAG MARKERS

Continuing the successful policy from prior years, Surfing Beaches, Limited Hours Surfing Beaches, and other areas that are open to surfing will be marked clearly with yellow flags by the City of Long Beach Lifeguards, serving to visually notify residents and visitors where surfing is permitted. Beaches designated as "All Hours" shall be open to surfing at all times, 7 days a week. Beaches designated as "Limited Hours" shall be open to surfing until 12 noon, 7 days a week.

Surfers are hereby instructed that when the yellow flags are taken down on a limited hours beach, surfing in that area has ended and they must exit the water promptly. Lifeguards shall give a 10 minute warning prior to taking the flags down to indicate when surfing hours are ending. Surfers on any beach who fail to exit the water or promptly paddle or walk to an adjacent surfing beach when instructed by lifeguards or other beach park personnel shall be subject to fines.
